A Cartoon Comedy By Pat Sullivan

Professor Punk decided to go fishing one day and while sitting at the end of the pier, Captain Nemo came to earth in his scrubmarine, and Professor Punk's fishing hook gets entangled in Captain Nemo's Scrubmarine. Captain Nemo takes him down to the bottom of the ocean in his scrubmarine and they go pleasure riding. Captain Nemo points out the various way in which the fish enjoy themselves.

He shows him a pickled herring and a soused mackerel, and a weak fish getting strong. While sailing Twenty Thousand Legs Under The Sea, Captain Nemo falls into a snooze, and Professor Punk sees thru the sightseeing window small sharks being eaten up by the large ones, and a sea dog with five hundred and one legs. He then takes a diving suit and decides to explore the ground. While walking he sees a monster sea flea with twenty thousand wings, the ocotpussey and the pup fish at war, the scrubmarine kicked by a sea horse, the sword fish sawing wood.

Professor Punk decides it is time to return to the scrubmarine. While trying to return to the surface something happens to the scrubmarine and instead of rising to the surface it sinks to the bottom. While scratching his head and wondering what to do, he sees a sea-horse and quickly bridles it and rides onward. While riding onwards he sees a mermaid in the distance. Getting nearer he sees that it is a very beautiful mermaid instead of a bad looking one. He quickly parts his hair and tries to look his best.

As she is combing her hair, Professor Punk arrives in his car, and she shyly approaches while she is very pleased at seeing someone from another world. Professor Punk is smitten, and it is a case of love at first sight. As they are kissing and are very happy, Neptune in his cave hears the smacking going on outside and decides that someone has come from the earth to take his pretty daughter away. He quickly grabs his pitchfork and begins pitching Professor Punk in his trousers. Professor Punk runs back to his scrubmarine and rises to the surface and jumps out for fear that it will sink again, and the scene fades out with Professor Punk frantically swimming towards shore.
